Subject: Review of Vietnam Records by OSD
I finally had a conversation with Mr. Lou Stern of OSD, at (703) 697-0556, the individual identified to me on the phone by Stewart Aly, and he committed to coming over to review records, but said he probably cannot do so until the last week in March, the week of March 30-April 3. (There is a slight possibility that he may be able to come the week prior to that--he and I will work out the details later when he calls me).I told him that there were now about 100 records to review; about 68 from the LBJ library, and about 30 or so from JCS files. He asked if this was a FOIA review, and I told him no, that JFK Act standards were different and that I would explain them to him when he arrived. END
