Subject: Re: FBI-NSA Liaison Files

Body: FYI.To: Michelle Combs/ARRBcc: From: Laura Denk/ARRBDate: 03/05/98 09:55:17 AMSubject: Re: FBI-NSA Liaison FilesI do have confirmation that Tim Wray reviewed the post-1961 files, but Phil was the author of the confirming memo rather than Tim. On 3/11/97, Phil wrote to Carol Keeley that the Review Board staff had completed its review of the files and that we found no assassination records. I am confident that Phil double-checked with Tim, and I suspect that he may have taken a quick look at the files himself.Speaking of Phil, I left copies of his guidelines for review of the core files in your box last night, though I didn't leave a note on top of them. I hope they were self-explanatory.To: Laura Denk/ARRBcc: From: Michelle Combs/ARRB Date: 03/05/98 07:30:35 AMSubject: FBI-NSA Liaison FilesJeremy asked me to confirm with you that Tim Wray reviewed the FBI-NSA Liaison files for 1960-64 and wrote a memorandum for the record on the contents of the files. Do you have Tim's memo? I will have a final draft of my memo to you on Monday if not earlier.
