Subject: Records Schedule for FOIA Files

CALL REPORTDocument's Author: Ron Haron/ARRB Date Created: 03/06/98 The Players Who initiated the call? Review Board's representative in the call: Ron HaronDepartment of Justice -- Civil Division's representative in the call: James M. KovakasDescription of the Call Date: 03/06/98Subject: Records Schedule for FOIA FilesSummary of the Call:Mr. Kovakas called to advise me regarding information he received regarding DOJ's document retention schedule for the FOIA case files we identified as relating to JFK assassination records. For the most part, these files will be transferred to NARA at various times starting in 2015 and as late as 2030. Two of the case files are designated to be destroyed in 2005 and 2006. I do not know which files are designated for destruction, but Mr. Kovakas will be forwarding the document retention/destruction information to me. I told him informally that we would probably recommend that the DOJ case files (recently made available for our review) be placed in the JFK Collection.I also offered to handle the referral of some discrete Civil Division files identified as assassination records. These files had been located in a vault at the Civil Division. They are not voluminous.Don't forget to compose individual Action Item documents for any action items that resulted from the call!
