Subject: John Baron
Hi Joe. How are things in the sunny West? I just finished reading your memo on John Barron, the author. His name has come up again. Do you have any memories on how your last attempt to contact him turned out. Did he call back? Do you have a way to reach him? Is there anything else written on him in our files besides your memo of 26 September 95? I would appreciate any help you can give me. Thanks
