Subject: FBI Church Committee testimonies

Confirming our conversation of last evening, I've come across two testimonies this week:11/19/75 testimony of James B. Adams, Deputy Associate Director for Intelligence. This appears to have been public (as opposed to executive session) testimony. Asst. Director for Intelligence Raymond Wannall was also present. This testimony has not been forwarded to NARA by the FBI and a quick review on my part revealed no assassination-related information.12/10/75 testimony of FBI Director Clarence Kelley was located several times (EBFs 1285, 1314 and E1238X). This also appears to have been public testimony and also revealed, upon cursory examination,no assassination-related information. It has not been forwarded to NARA by the FBI.
