Subject: formatting of draft memo on this wk.'s review
Once I'm back in Phoenix I'll draft something along the same lines as last time, cataloging any possible assassination records I came across this week. Unless you all feel otherwise, I'll probably just do the listing and let the two of you plug in any accompanying/introductory verbiage, since you (as you did last time) have a better sense of what you need/want along those lines.
