Subject: budget info
I have left you a package of budget info as you requested. I thought we should go over it in the morning so I have changed my dentist appointment until next Friday. I have made some assumptions in figuring out future spending and I want to make sure you and I are on the same page. I know you'll have a lot to catch up on, but I hope we can meet in the morning before you get swamped! Hope you had a good trip.
