Subject: FBI-40 and FBI-50
The e-mail that I sent to you re: FBI-40 on 3/12/98 obviously pre-dates the last memo that you gave to me on 3/13/98, in which you said that the Chicago file that we discussed earlier today had been destroyed. To the extent that the Bureau has any additional documentation, let me know. Otherwise, your work on FBI-40 is complete. With regard to the Addendum to Additional Request FBI-50, Jeremy signed the letter. It is in my office on top of the binders behind the m&m man, available for you to take over to Carol tomorrow. Thanks, Laura
