Subject: near input
I just wanted to warn you that I was sending a big near input in the FedEx tonight. Sorry it is so big, but it's just like at home...the bills never stop coming! You'll notice on the FedEx bills alot of them say "Past Due" and "Final Notice". Apparently, they are doing something to their system that is now catching all the bills that we never got from last year. You'll notice that many of them are from August, 1997. Whatever you can do to speed up the payment on these would be greatly appreciated (even if it is their fault that the payments are so overdue!).As usual, thanks for all of your help!
