Subject: Kennedy Library

Body: The letter is from June 8, 1962 from Charles Bartlett (a close personal friend of the President and the Washington representative of the "Chattanooga Times"). The letter is addressed to the President and provides information on anti-Castro organizations. General Maxwell D. Taylor, Military Advisor to the President, is involved in the subject and latter requests information on some anti-Castro Cubans. Thanks so much for helping me with this. Let me know if there is anything else I can provide you with. Thanks, Carrie
