**Subject:** More on James Parker  
After confirming that the file on James M. Parker had been pulled by the HSCA, I asked Elaine Rogic if the Army had any records on James Dudley Parker. Ms. Rogic did a search and said that IRR did not have any records on this Parker, but said that AFOSI had records on this individual. The AFOSI records indicate that James Dudley Parker changed his name or assumed the name of James Dudley Brant (based on 1960 document) or James Dudley Brandt (in a 1970 document). This might be worth looking into.
