Subject: Final Report Chapter 5 (Agency Compliance)
Chapter 5, written by the esteemed Ron Haron, Esq., will review each agency's compliance with the JFK Act. I assume that there should be a boilerplate framework list of issues that should be addressed for each agency. Sometime within the next 2-3 days, could you give me a draft bullet-point list of the issues that you think are appropriate. The issues would include such topics as: thoroughness of search, completion of processing of records; thoroughness of response to requests for additional information and records; accounting for lost or missing records; etc.
