Subject: March Report

Eileen-- I have the following to report for March --1. CIA -- We have received their official initial Statement of Compliance with the JFK Act, which we are in the process of evaluating.2. Air Force -- We reviewed their Final Declaration of Compliance and have formally requested, based on our review, that they undertake some additional work under the JFK Act.3. FBI -- We submitted to the FBI specific questions regarding their search for assassination records and have scheduled a meeting with them to review their initial Statement of Compliance.4. INS -- INS has reported that they will be submitting to the JFK Collection a substantial "working file" that they had maintained on Marina Oswald. 5. Civil Division -- The Civil Division has agreed to place in the JFK Collection the Department of Justice case files for various FOIA cases against the CIA and FBI involving JFK assassination records (I can give you more detail regarding these FOIA cases if you want).6. Criminal Division -- The Criminal Division is continuing to process organized crime records designated as assassination records and is also gathering certain internal security records for our inspection.7. Congressional (House) Records -- We have obtained authorization from the House Committee on Government Reform and Oversight (Burton's committee) to inspect the records of the Subcommittee on Government Information and Individual Rights of the House Committee on Government Operations (Abzug Subcommittee). We are still awaiting authorization of the House Judiciary Committee to inspect the records of the House UnAmerican Activities Committee and the Edwards Subcommittee (the latter looked into the FBI's destruction of a note left by Oswald with the Dallas FBI before the assassination).8. Congressional (Senate) Records -- We are continuing to receive transcripts of the Church Committee and to refer them to the appropriate agencies for release. The FBI has authorized the release in full of the transcripts for seven FBI officials who testified before the Church Committee regarding the JFK assassination investigation.9. Miscellaneous -- We have issued, through the Department of Justice, the Sixth Floor museum in Dallas for original Parkland Hospital records, among other records.
