**Subject:** experts honorarium  
When you send the letter to the experts next week you should include a sentence that says something like...If you are interested in receiving the \$100 honoraria, please provide (Jerrie, Tracy?) with your social security number.I think that by wording it this way it takes the guess work off of us as to who can receive honoraria. Others may also not be interested in collecting money from government agencies and would rather donate there expertise. I know that you are asking them to respond regarding lunch, maybe they could give this response to Jerrie at the same time.We can discuss if you'd like.
