Subject: Forwarding yesterday's e-mails about Joe's visits to you
I thought you would enjoy these. :-) Start reading on the bottom and work your way up. To: Jeremycc:

my Harvard Board of Overseers ballots. If you bring me to Washington, I'll let you tell me who to vote for.
Outside of Chicago, how often do you get a shot at multiple suffrages?To: Joseph Freeman/ARRBcc: Jeremy
Gunn/ARRBFrom: Laura Denk/ARRBDate: 04/07/98 03:27:03 PMSubject: Re: Planning AprilGood question. I
talked to Jeremy about it and made my pitch for how cheap the airfare is, how hard you work, how much we
need someone to finish up the review of those EBFs, etc. . . He didn't say no, so I'll ask again & let you know,
sooner rather than later. I think plane fares are super cheap right now. Sarah told me that she found a fare to
L.A. for only \$208, so maybe it would be even less expensive than we had anticipated!To: Lauracc: From:
Joseph Freeman/ARRB Date: 04/07/98 02:12:08 PMSubject: Planning AprilAny word on whether the powers-
that-be are inclined to spring for airfare and have me work for you and Kevin on 4/20 through 4/23? It would
be useful to know, for planning purposes, sooner rather than later, though I know there are roughly a million
more important things going on, ARRB-wise.
