**Subject:** Gus Alex NBR

Gus Alex was a member of the Chicago Mob and was included among a list of Capone hoodlums. He owned part of Club Rouge and several Chicago strip joints. He associated with top mobsters including Tony Accado, Tony Capezio, Sam Giancana, Nathon Ladon, and Eddie Vogel. There are numerous foreign documents throughout his files. The document in question 92-3182-739 rif 202-10299 dated 2/11/63 contains one paragraph which we are suggesting be designated NBR. The rest of the document is foreign. The NBR paragraph is an Army equity which reveals an operation technique they do not wish to reveal. I have left a few notes of possible sensitive material on your copy of this document which is on the FBI team desk. Let me know if you need me to provide more information.
