We have been discussing a Bon Voyage party for the 3:00 on the afternoon of the 24th. We thought we would get a cake and some sparkling beverages.I asked him a long time ago what an appropriate gift for a newly married Korean couple would be, and he said that the couples' families would set them up in a new home, but that guests would generally bring cards with cash. I think that is a fine idea (some spending money for Bob and Hyun-Sook's honeymoon), but if anyone has a preference or an idea for a gift, of course we are open to suggestions. I will keep a envelope for the collections in my desk.Let me know if anyone is not available on the 24th. Thank you.
