For Andrew Funk I spoke with Dr. David Barrett, Associate Professor of Political Science at Villanova University, on April 2 or 3. He knows Andrew very well, having taught him in three classes one of which was the senior seminar. He described Andrew as a bright and reliable student who showed a great deal more initiative than the other students. Dr. Barret said that Andrew was one of the standouts, one of the 2 or 3 best in his group. He holds him in high regard in every way. For Mosemarie Boyd, I spoke with Dr. Bernard Fennell, Associate Director of the National Security Studies Program at Georgetown University. Dr. Fennell called to follow up for Dr. Stephen Gibert, Director of the Program, who Mosemarie gave as her reference but who was unavailable. Dr. Fennell was Mosemarie's T.A. in her first class at Georgetown. He describes her a bright, hard working and as having a good knowledge of how D.C. works. She is personable and listens well. Overall he rates her very highly.
