**recstat:** AMSubject: Input for Congressional LetterTwo things: (1) Another joint declassification session, convened to accelerate the processing of multiple equity issues in DOD and Presidential Library documents, involving representatives from State, the Joint Staff, OSD, the NSC, the CIA, and the Army, was held at ARRB's offices on April 7, 8 and 9. Approximately 4,000 pages of documents were passed through the review cycle during this session and are in various stages of staff and Board review. At some point prior to September 30, 1998 all of these records will end up being transferrerd to NARA. (2) By close-of-business on Monday, April 24th, I should be able to identify documents we will transfer to NARA this month: some will be consent releases, and some will be records with partial postponements.That's all for now.
