Subject: Final Compliance Statements

By the end of May, I would like to send letters to the major entities (CIA, NSA, Secret Service, LBJ Library and JFK Library) stating: (1) that they need to submit their final compliance statements by a date certain and (2) apprising them as to what major issues regarding searches or processing need to be resolved and/or addressed in their Final Compliance Statement. These are the only entities with whom we have not provided some direction after receiving their initial compliance statements. Therefore, in the next few weeks I will be asking you to meet with me so we can identify any remaining issues and prepare a letter putting these entities on notice as to what issues need to be accounted for in the Final Compliance Statement. Thanks. --Ron
