**Subject:** Search of files

I am finishing up the long drawn out Harry Dean. Trudy said that three files I need have already been reviewed under the minutemen additional request. I checked through the memo's you turned in to Laura but I didn't see these files listed. Would you mind checking your records to determine if you have reviewed these files, if you didn't need to review these files, or if they were never provided to you. Thanks, Carrie12-14724 vol262-
