Subject: Deed of Gift from Stephen Tyler
I just talked to Mr. Tyler. He thinks he signed the DOG sent to him on February 12, 1998 and sent it back but he is not sure (the reason he thinks he did this is that he had no reason not to). I do not have a copy -- do you?Possible scenarios:1. he will find it at home, sign it, send it.2. we will locate it here.3. send another DOG to him.
