Subject:	Re: Dean additional request
Body:	Just checking with you on this one, you reviewed the whole file not just a section for cross reference on this.To: Carrie Fletcher/ARRBcc: From: Laura Denk/ARRBDate: 05/12/98 02:58:34 PMSubject: Re: Dean additional requestYou should just that Marie reviewed it for Minutemen. You may want to double check with her, if you haven't already, to make sure she reviewed the whole file (as opposed to just a single document if the volume was pulled for her as a cross reference.) Thank you.To: Laura Denk/ARRBcc: From: Carrie Fletcher/ARRB Date: 05/12/98 02:49:32 PMSubject: Dean additional requestVolume 39 of a 62 file appeared on Trudy's search slip for Harry Dean. Marie reviewed this file for Minutemen. Should I re-review this file for Dean or just note that it was reviewed for Minutemen?
