Subject: Status of INS Compliance
CALL REPORTDocument's Author: Ron Haron/ARRB Date Created: 05/12/98 The Players Who initiated the call? Review Board's representative in the call: Ron HaronImmigration and Naturalization Service's representative in the call: James M. LeahyDescription of the Call Date: 05/12/98Subject: Status of INS ComplianceSummary of the Call:I called the INS to check on the status of their work under the JFK Act. In their last letter to the Review Board, INS had stated that the Final Declaration of Compliance would be submitted to the Review Board by the end of April. This has not occurred. Furthermore, additional INS files have yet to be placed in the Collection. Mr. Leahy has explained to me that a large part of their resources has been devoted to clearing INS equities referred from other agencies. I explained to Mr. Leahy that the Board is attempting to ensure that each agency completes its work under the JFK Act. Accordingly, I told him that there were certain "drop dead" dates: any proposed postponements should be submitted by July 1 for voting (Leahy did not think there would be any); the INS files should be placed in the JFK Collection by August 1; and the Final Compliance Report should be submitted by August 1. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
