Subject:	Your Yellow Issues
	I'm assuming that the board voted to release in full the 5 yellow issues that you emailed to me the other day.
	If not, let me know. Also, if there were more than 5 (Kevin had a number of approx. 10) let me know the RIF
	numbers and whether or not they were released in full (and if postponed in part, how many
	postponements).Also, let me know when is good for you for Fast Track training. It should take about 20
Body:	minutes even if you're a bit slow (10 minutes if your brain is functioning properly)Thanks
