Mike just called and what he needs is the second page of your memo, which didn't come through clearly enough for him to show others. He said it is entitled arm.98.350. I told him I did not have access to your e drive but you might be able to access it at home and fax it to him. His fax number is 202-228-4514. Michelle and I tried to find it among the papers on your desk but did not see it. Also, next week he would like to discuss it with you. I took a shot and found a folder marked S. 712 in the cabinet behind your desk and called Mike and said I would send it to him right now.
