Subject: That project you assigned the interns...

Body: To: Tom Samoluk/ARRBcc: (bcc: Non-Record/ARRB)From: Christopher Barger/ARRB Date: 06/23/97 03:31:49 PMSubject: That project you assigned the interns...Tom, as it turned out, Jeremy came up with a project that required all 13 students to be up at College Park each day for the rest of their internship. As a result, none of them got to listen to your tapes. My question is: would you like me to listen to them for you and carry out the project myself, or would you prefer to just listen to them yourself when you are here next? Please let me know.As an aside, I will be in Boston next Monday the 30th to do one more interview at BU for the TA position; my schedule is not yet set (I'll be buying my ticket on ValuJet this weekend), so if you have any time, I can arrange my flight accordingly if you wish to get together. Let me know.
