To: Tracy Shycoff/ARRBcc: (bcc: Non-Record/ARRB)From: Christopher Barger/ARRB Date: 05/06/97 10:36:16 AMSubject: Questions for you...1. TSP-- I am wondering about two things: a) aren't we supposed to be getting quarterly updates? How do I know how my investments are performing? Is there a number I can call?; and b) what is the rule regarding employees leaving the federal govt before they are vested? Do I lose any money for "penalty for early withdrawal?" Does the money I have invested have to stay in the federal funds, or can I roll it over into another investment fund of my choice? (Keep in mind that I am not vested-- I guess they didn't let me use my Reserve time.)2. Do you think it would be worth my while to suggest to David that I would like to remain on as a Joe Freeman/Tom Samoluk type intermittent employee? What I mean is, is there anything I could do for the ARRB in Boston that would make it worth David's attention to try this?3. Could you tell me when my last paycheck would be if my last day on the payroll is August 2?4. When you get the chance, I would like to ask you one more question in person. No emergency, just whenever you have time.Thank you.cmb
