**Subject:** IMPORTANT INFORMATION

The meeting with Chairman Burton has been re-scheduled to 4:00 p.m. tomorrow. I have placed a call into Dan Moll asking what his best judgment is about the number of people who should attend. I have not heard back from him. To the extent that his position is unchanged, he recommended fewer rather than more. To the extent that you wish to change your travel schedules, you should contact Tracy as soon as possible. We now have the Garrison materials in our office. Because the comments on the Final Report came in prose form rather than point format, I thought it would be most useful to forward to you the comments. I assume you all have Bill's thoughts. I will fax Anna's and Kermit's.
