Subject: Board Meeting issues
Please make copies of the cables and messages we have received from State during the past 6 weeks to distribute to the Board. Please note that one was marked "confidential." I don't know if Cathy has that one in the SCIF.I have put copies of the agenda on your desk. Please do not distribute it because there may be another change.I will be having breakfast with Jack this morning. I expect to be here by 9:00.
