Subject:	Questions...
Body:	1) I just wanted to double check and make sure that you got the CIA disks loaded onto Notes. I figured that you had, but I didn't want to irreparable erase anything.2) Do you have an email address at the Post? It might come in handy if I need to get hold of you quickly, but not so quickly that I'd need to page you (like about the CIA disk question). Or do you checy your ARRB account frequently enough throughout the week that I should continue to send this stuff there?Thanks
