Subject: 6/10 appointmentsI forgot to let you guys know yesterday about this. The phones will need to be covered from 10:30 (after the staff meeting) until Janice returns at 2:00ish. Why don't the two of you work out what's best for your workloads today and let me know. Please remember to bring work up front with you. If you don't have anything that you can bring up there, please see me and I'm sure I can give you some! Thanks.
