you- that the CIA was not 'involved' in any> conspiracy re JFK's death. The FBI most assuredly was. I know - I
was there.> Not in Dallas, but in Mexico City, where I was living at the time. Quite by> accident, I found myself
in a 'safe-house' in Mexico City, three weeks or so> before the Dallas incident. I met and spoke at length there
with David> Ferrie. Upstairs, the head of the Louisiana Mafia was screwing my> girlfriend. In the 'living room',
two sinister-looking guys spoke French in> whispers. The photo of one of them appeared years later in
Investigative> Reports' "The Men Who Killed Kennedy", identifying him as the 'trigger man' on> the grassy
knoll. The British producer of that program came to my city to> interview me after I'd watched the report - I
related my experience to him,> and to the investigator from Dallas who accompanied him, and supplied him
with> photos and a street address of the 'safe-house'. I played softball on a team> in Mexico City - one of the
teams in our league was comprised of U.S. federal> agents & marines from the Embassy there. I knew them all
- we were friends. I> knew who was with the CIA, the DEA and so on. The CIA guys were totally> surprised by
the photo of 'Oswald' in front of the Cuban Embassy (at that> time, next door to the Russian Embassy) - they
knew THEY hadn't taken it, and> we had a heated speculation as to who might have done it. Anyone familiar>
with Mexico City at the time knew where the CIA had their camera - in an> apartment building across the
street from the Russian Embassy. The large,> glistening hemisphere of their telephoto lens was clearly visible
from the> street below, and they photographed anyone who entered or left either of the> two Embassies. The
photo of 'Oswald' was clearly taken from a different> perspective, at street level, by someone OTHER than the
CIA.> This is the first time I have publicly revealed even this hint of what I> know. I am nearly sixty (later this
year) and am obsessed that I will not> take this information to my grave. I want to go public with it -along
with> names, addresses, dates and circumstances - but am at a loss on how to> disseminate this information
widely and quickly. I will not allow anyone to> profit from this information, as the profit-motive could taint its
veracity,> and what I want is to blow this whole JFK thing wide open before I die. Having> put this much
information on the Internet, it could be a lot sooner than I> planned for, so I will greatly appreciate it if you
will immediately respond> to the following:> Do you know of any serious group or organization that is still
probing JFK's> death?> Being a novice among the Internet's newsgroups, I haven't a clue as to how to>
