Subject: J Track
Jeremy - regarding J- Track, I do have editing capability. Laura told me that you wanted me to enter all of the FBI requests for additional information that were missing. I have now done that, FBI-1 through FBI-54 are now included in JTrack. Laura said she will go through them to change the status to completed where appropriate. Please let me know if there were other items you needed me to do for JTrack. Thanks, Cathy
