**Subject:** FBI request 49, Admin files  
I found a file on my desk for this request only after I reviewed it and got back to the office did I realize that it was for your section of the request. File 62-48771 Vol 11 serials 800x-850 from August 1984 through October 1989. The file was out of the date scope and I also did a quick flip and it isn't relevant.
