Subject: Doug Horne Called LT Greene (CNO N09B35)
CALL REPORTDocument's Author: Douglas Horne/ARRB Date Created: 06/11/98 The Players Description of the Call Date: 06/11/98Subject: Doug Horne Called LT Greene (CNO N09B35)Summary of the Call:I called LT Greene after Ron Marshall at OPNAV referred me to him. I explained that we were looking for records of the ONI Director from September 1959-September 1964, and that if he could locate such records, our staff would examine them to see if we could locate any records responsive to the JFK Act.I explained that the three principal reasons we wanted to examine the ONI Director's records were:-to see whether there was an ONI or Navy post-defection damage-control assessment investigation of Oswald in late 1959, or in 1960;-to see if there were any records that could illuminate RADM Rufus Taylor's affidavit to Defense Secretary McNamara of September 1964 saying that LHO was not an agent of the ONI;-to look for correspondence between ONI and other agencies about the assassination.He asked that ARRB send a letter requesting all of the above in writing, and I agreed to do so.
