Subject: Re: Staff Memo Appendix

Michelle, like i said, i don;t have a single file with just memos written by staff members. I only could go by memory, which since i service all of R&A, is not too reliable and specific. Therefore, I can remember an NBR memo Laura wrote, but thats about it. What would be a good way to ascertain all of them? another email to the staff? Jeremy, any thoughts? Jeremy can decide what to do with them when he sees the list. Let me think about it and ask me again.
