Would you please send me the title and date of any NBR memos that you have written, so that I can include it in the Appendix to the Final Report
This request is in addition to last week's email from me regarding principal memos written by staff members , both present and past. On that note, I still do not have input from all of you. Would you please try to provide me with both the prinicpal memos and NBR memos by COB Wednesday? If that is not possible, please email me so that I will know. Thanks a lot, I realize this has potential to be a monster project. Let me know if there is any way that I can assist. Cathy
