Just stick it in my box. 7. If I have to lick one more, I'll gag! 6. I want it on my desk, NOW!!! 5. HMMMMMMMM... I think it's out of fluid! 4. My equipment is so old, it takes forever to finish. 3. It's an entry-level position. 2. When do you think you'll be getting off today? And the number 1 thing that sounds dirty in the office but isn't: 1. It's not fair... I do all the work while he just sits there!-----Subject: Joke - We're still checking the gene pool IDIOTS AT WORK... Sign in a gas station: Coke -- 49 cents. Two for a dollar. I was signing the receipt for my credit card purchase when the clerk noticed that I had never signed my name on the back of the credit card. She informed me that she could not complete the transaction unless the card was signed. When I asked why, she explained that it was necessary to compare the signature on the credit card with the signature I just signed on the receipt. So I signed the credit card in front of her. She carefully compared that signature to the one I signed on the receipt. As luck would have it, they matched. IDIOTS & GEOGRAPHY After interviewing a particularly short-spoken job candidate, I described the person to my boss as rather monosyllabic. My boss said, "Really? Where is Monosyllabia?" Thinking that he was just kidding, I played along and said that it was just south of Elbonia. He replied, "Oh, you mean over by Croatia?" ADVICE FOR IDIOTS An actual tip from page 16 of the HP "Environmental, Health & Safety Handbook for Employees:" "Blink your eyelids periodically to lubricate your eyes." IDIOTS IN THE NEIGHBORHOOD I live in a semi-rural area. We recently had a new neighbor call the local township administrative office to request the removal of the Deer Crossing sign on our road. The reason: Many deer were being hit by cars and he no longer wanted them to cross there. IDIOTS & COMPUTERS My neighbor works in the operations department in the central office of a large bank. Employees in the field call him when they have problems with their computers. One night he got a call from a woman in one of the branch banks who had this question: "I've got smoke coming from the back of my terminal. Do you guys have a fire downtown?" IDIOTS ARE EASY TO PLEASE I was sitting in my science class, when the teacher commented that the next day would be the shortest day of the year. My lab partner became visibly excited, cheering and clapping. I explained to her that the amount of daylight changes, not the actual amount of time. Needless to say, she was very disappointed. IDIOTS IN FOOD SERVICE My daughter went to a local Taco Bell and ordered a taco. She asked the individual behind the counter for "minimal lettuce." He said he was sorry, but they only had iceberg.
