Subject: Draft outline for Chapter 1
Here's my first take. As you'll see, I finished "The Problem" section but not "The Solution", but I don't think that's a problem since the "The Solution" part is much less problematical and derivative. Don't worry about the tone of the outline; the actual text can/will be more report-like. Now that I'm not allowed to be self-deprecating any longer, I guess I can't say that if you want to contact me while I'm gone to inform me that I've been thrown off the chapter after you read my outline, you can do so by calling the Charleston Harbor Hilton Resort in Mount Pleasant, SC, 888/856-0028. Or if there is anything about it you want to discuss. The rooms will be either under my name or my brother Matt's.
