**Subject:** Notes from IP

**Body:** Julia asked me to remind you that the March, April, and some of the May documents are waiting at IP for you to come look at the problem documents. The March and April documents are ready to go to NARA as soon as you resolve the issues with the problem documents. I got the strong impression that they would like you to look at the documents on some sort of a regular basis for the remainder of the Board's existence.
