**Subject:** Meeting at CIA?  
Barry called about the meeting you requested for this afternoon. McNair and company are tied up in a panel, so he doubts that any senior people will be able to attend. But he does have the records- both Oswald's and Marina's 201s. Thus, Barry has the documents involved with this issue, and he insists that he can explain what happened. If we want to do this today, he would like to do this at 2:00 PM so that he can have in attendance someone from the DO who is a 201 file expert. Clearly, he is trying to diffuse the situation and wants to focus on the documents right now.
