The USIA documentwas sent incorrectly and a CIA document was not sent for review thatshould have been. The correct document will be sent to you by the endof this week along with an AR Irene located in the Dungan Papersyesterday.Also for your information, 1414 pages from roll 139 of the DOJ, CriminalDivision, microfilm have been reviewed under the FOIA and will bereleased on July 5. Since this microfilm has been declared anAssassination Record, these pages will be RIFd and forwarded to thecollection by the end of this week.Also, I will be out of the office from 7/1-7/6 on annual leave. From7/7-7/10 I will be at the Eisenhower Library to assist them in preparingfor their forthcoming RAC visit in August. Do not hesitate to contact meat the Eisenhower Library next week should the need arise. Please askfor David Haight and David will contact me.I apologize for the confusion and my error concerning the Goodwindocuments.
