Subject: I'd Rather Be in Philadelphia
No final arrangements (plane tickets, etc) have yet been made, but in principle I am definitely coming to your affair in Philly, and may incorporate a brief visit to Ligonier as part of the trip.Do I have these details right: Sunday, July 19, 1:00 PM? I'm sure there are other things I'll need to know eventually (location of ceremony, dress code, etc.), but if the day, date and time are correctly listed, I can begin substantive planning from there!Hope you are well, Bob, as I'm sure you are.
