I spoke to Derek Beckner at the Penn State Archives this morning. He said that Schweiker only really had two documents relating to the Church Committee and the assassination. One was a Senate press file; the other was a resolution introduced in the House. He is faxing the relevant portions of the finding aid to us. I haven't been able to reach Robert Keuch again. I left a message on his machine this morning asking him to call me back. I gave him your name in case I'm not in whenever he calls. I also mentioned that we could send him a letter if he is still uneasy about talking to us. I still haven't been able to reach Mrs. Bales.
