Subject: Another legal query

Chris -- Joe Freeman is working on a section of the Final Report from Arizona. Can you help him on this citation question and any other legal citation/research issues he may have. Thanks. --Ron
P.S. Joe -- Chris is a summer intern who is going to law school at George Washington and has been helping Laura with sections of the Final Report. The Records Act is probably, although I am not certain, codified in a more recent edition of the U.S. Code. As if you didn't have enough to do! I have a cite for the Presidential Records Act of 1978, as follows: 92 Stat. 2523, 44 U.S.C. 2201-2207 (1988) Do cites change over time and is this one thus obsolete? If so, how do I get the current one? This is for a footnote in draft Chapter 1. Thanks for your legal skills on this one! If it's a big deal to update the cite, I'll just drop it from the footnote. So don't trouble yourself overmuch.
