Subject: DOJ records

Ron-I didn't realize that you were not presenting the more substantive DOJ-FOIA documents to the Board.

Does this mean that you want to include those records in our package to the State Department? If so, we need to get two copies of each document that you would like to refer to the State Dept. by the end of the day today (or at the latest, early tomorrow) so that we can send those records along with the other documents with

Body: foreign equities.Thanks.
