**Subject:** I called Lonnie at State Dept.  
she said "I have to find out if this is actually something I can send or not." implying that she needed permission to fax it classified, for some reason. I said fine, and asked her to call me as soon as she knew. I 'll get you the fax as soon as I get it, but I don;t expect it to be before about 3 pm. Let me know if there's anything further at this point. Thanks, Cathy
