Subject:	the Board
Body:	The Board wants to discuss Chapter 4 tomorrow at the open meeting. I offered to come up with a few talking points so that their public discussion will have some structure. I have not, as yet, started to draft these talking points, but I told them I would try to come up with a list of 10 or so of the most obvious things about Chapter 4 for them to discuss. I know this is last minute (and I just found about it, too), but if you have any ideas, I would LOVE to hear them. Thanks!
