Eileen -- Here is the FBI team update on our activities for the letter to Congress. The FBI team has negotiated 4,242 pages of f records from the HSCA subject files with the FBI. The HSCA subject files that have been through the negotiation stage include: Joseph Anthony Colomob, James Henry Dolan, Susan Frank, James Fratianno, Harold Gibbons, James Hoffa, Fred Randaccio, Abe Weinstein, and Jean West. The FBI team is also finalizing its review of records produced by the FBI in response to our requests for additional information. One of our analysts has taken over the job of finishing the processing of the Secret Service's assassination records. (E--I don't know if you put this kind of thing in the Burton letters or not.--K) If you have any questions or if you need additional information, let me know.
